(1) The Leapfrog Hospital Safety Score(sm) grades hospitals on data related to how safe they are for patients.										
(2) Higher is better - Scale 1 to 100										
(3) Proposed/Preliminary CMS (Centers for Medicare and Medicaid Services) Data: Lower is better - Scale 1 to 10, a score of 7 or higher may result in a 1% penalty.										
Hospitals whose value purchasing initiative is based upon weighted measures on Hospital Compare.										
The percentage is the penalty or bonus applied to the facility's entire Medicare payments.										
(5) The composite column is reflective of the combined data from the Hospital Compare Performance Data and Readmission Data.										
The percentage is the penalty or bonus applied to the facility's entire Medicare payments.										
(6) Complaint Inspections Available Since July 1, 2012 This data is incomplete and should not to be used to rank or compare hospitals.										
(*) Listed As: St. Elizabeth Healthcare - Edgewood/Grant/Covington										
(**) Listed as Norton Hospital, Norton Hospitals, or Norton Healthcare										
(***) Listed as Jewish Hospital, Jewish Hospital & St Mary's Healthcare or St Mary's & Elizabeth Hospital; Consumer Reports only lists Jewish Hospital;										
CMS combines the data from Jewish and St Mary's Healthcare; The Leapfrog Group(sm) surveys the hospitals separately but only reports a Safety Score for St Mary's & Elizabeth Hospital										
US News & World Report does not rank Sts. Mary and Elizabeth Hospital.
