Hi Dr. Kavanagh,

I spoke with you earlier about the 2008 Oversight hearing on healthcare-associated infections, particularly Rep. Waxman's references to two studies on MRSA.

I consulted our policy staff, and they concurred with your guess that the two referenced articles were from JAMA and the Annals of Internal Medicine.

Let me know if I can help in any other way.

Best,

Elizabeth

Elizabeth F. Letter

Assistant Press Secretary

Ranking Member Henry A. Waxman

House Committee on Energy and Commerce
