**16th Annual Conference
COVID-19
Frontline Worker Safety:
A Global Perspective**

Frontline Workers: A Global Perspective

**International
Authorities From
Around the World**

Introduction by:
Past Surgeon
General,
Joycelyn Elders,
MD

Sept. 14, 2022 Webinar
<https://healthconference.org>

Outcomes & Objectives

- Identify infection control strategies that prevent and mitigate the spread of COVID-19 disease among both frontline workers and patients.
- Advise retailers, schools, and others on strategies they should undertake to establish a safe workplace which protects both frontline workers and patrons.
- Identify infectious disease infrastructure deficiencies in the COVID-19 pandemic.
- Discuss cultural and socioeconomic barriers and social disparities which place socially disadvantaged populations at increased risk of infection and severe disease.
- Explain the risks of disability and death from not only acute COVID-19 but also the disabling effects of Long COVID.

Health Watch USAsm Continuing Education

The conference has two accreditation agencies for healthcare continuing education.

- ⇒ **Northeast Multistate Division:** This activity has been submitted to the Northeast Multistate Division Education Unit for approval to award 6 contact hours. The Northeast Multistate Division Education Unit is accredited as an approver of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.
- ⇒ **Southern Kentucky AHEC:** Physician/Physician Assistant/Nurse Practitioner/Nursing Home Administrator (AMA Category I) will be provided. In addition, Respiratory Therapy (KBRC), Physical Therapy, Pharmacy, Dentistry, and Occupational Therapy credits will be applied for through the appropriate Kentucky Oversight board.

Educational credits are provided at no charge by Health Watch USAsm.
